Welcome to WYRED

Welcome to the WYRED Platform. This is a space in which you can organise and discuss your WYRED research project. It is designed as a safe space in which you can be free to express yourself as you wish (for this reason everyone in here uses an avatar). You may use it as you want, to prepare and design your work, show it to other people in WYRED, discuss issues that you feel are important, share pictures and other things, and present the results of your explorations. The key idea of the WYRED platform is RESPECT, respect others here as you would like to be respected. Enjoy it!

The screenshot shows the 'EVENTS' section of the WYRED Platform. At the top, there is a navigation bar with 'HOME', 'COMMUNITIES', and 'EVENTS' (the active page). Below the navigation bar is a decorative header with orange and blue geometric shapes. The main content area features a calendar for May 2017. The calendar grid shows days from 1 to 31, with the 24th highlighted in green. To the right of the calendar is a date navigation panel with buttons for 'Month', 'Week', 'Day', and 'Year', each with a corresponding number (05, 21, 24, 17). Below this is a 'Your communities' section with a 'Welcome' message and a community icon. At the bottom of the page, there are social media icons for Facebook, Twitter, Google+, Instagram, YouTube, and LinkedIn, along with the European Commission logo and a funding notice: 'This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 727066'.
